

## **Submission Format**

All teams are required to make a PDF which should address the following points :-

1. Team Name, Team Member Names and Institute.
2. Problem Statement Addressed
3. Solution Proposed
4. Progress made upto now and a brief description of how you implemented it.
5. Where can your solution be applied
6. The need and feasibility of your solution.
7. How would you want to scale it up. Should include details about how your solution can be improved in the future.
8. Do you wish to take it up as a Startup ?

## **Important Guidelines**

1. The portal will be open from 12:30pm to 1:00pm. Make sure to submit between this interval. No late submissions will be accepted.
2. Only 1 submission per team is required. In case you have changed your teams during the event, make sure to upload using the latest team details.
3. Make sure to upload all your working codes on Github and/or any videos that you wish to share on youtube. You can mention the links to them in your PDF.
4. In case you have changed your teams in the last 12 hours, make your sub
5. Multiple Submissions are not allowed. Make sure to verify before submitting.
6. This is compulsory for all teams irrespective of the problem statement they have registered for.
7. The submission links will be announced in your respective rooms at 12:30pm.
