

Theme : Women Safety

Case Maker : She Team, Hyderabad Police

DESCRIPTION

Safety of women has always been an issue, especially in a country like India. Be it malls, bus stops, workplace, or even their home, instances of crimes against women have been continuously increasing.

She Team, an initiative of the Hyderabad Police, is a team of dedicated police officers working towards the safety of women. Help them in their objective of making Hyderabad, and eventually, India, a much safer place for women.

Some of the areas that the She Team needs your help in (but is not limited to) are :-

1. Cyber Crime :
 - a. Harassment through e-mails
 - b. Cyber Stalking
 - c. Cyber Pornography
 - d. Image Morphing
 - e. Email Spoofing
 - f. Tracing IP Addresses.

2. Complaint Management : She Team receives several hundreds of complaints daily from numerous channels like Facebook, WhatsApp, phone etc. Think of an innovative solution to build an efficient mechanism to handle all the complaints and for them to keep a track of all of them.

Participants are free to work and improve upon any aspect of women safety. Officers from the She Team shall be present throughout the event to help you with your ideas. So grab this opportunity to put forth your ideas and see them put to use to make this world a safer place for all.
